Dear Mr. De Swart, Dear Mr. Knigge,

Your criminal complaint against the Foundation Union des Victimes de Déchet Toxiques d'Abidjan et Ban Lieues ("Foundation UVDTAB") dated 10 May 2016, on behalf of Trafigura Beheer B.V., was received by me in good order.

I have ordered the assessment of the criminal complaint. On the basis of this assessment, it will be investigated whether further criminal investigation or prosecution will be initiated on the basis of your criminal complaint. The information provided by you will be included in this investigation.

In response to your question in this respect, I would like to inform you that there is no impediment from a criminal law perspective for you and/or your client to inform third parties of the criminal complaint.

I trust to have sufficiently informed you through this letter.

With kind regards,
